Executive Summary

Snapshot of business performance, 2014–2015

TOTAL REVENUE \$7.49B All sales combined	UNITS SOLD 550K Vehicles delivered	AVG PRICE \$13.6K Per vehicle	AVG MARGIN -3.0% Weighted by units
---	---	--	---

Key Highlights

- Ford leads all brands with \$1,338M in revenue.
- FL is the strongest market, contributing \$1,133M.
- Coverage spans 97 makes across 38 states.
- Top 10 brands account for 69% of total revenue.

Brand Performance

Revenue concentration across top makes

Insights

- #1: Ford — \$1,338M
- #2: Chevrolet — \$708M
- #3: Nissan — \$626M
- Top 3 share: 36%
- High brand concentration — invest in leaders.

Geographic Insights

Where the revenue is generated

Top 10 States by Revenue

Insights

- Leader: FL — \$1,133M
- Top 3 states: FL, CA, PA
- Top 10 share: 76% of revenue
- Concentration suggests dealership expansion opportunity.

Sales Trends

Quarterly revenue by manufacturing year

Insights

- Peak quarter: Q1 (2015 model)
- Clear seasonality across both model years.
- Newer model year accelerates demand quickly.
- Use trend to align inventory & promotions.

Price vs Mileage

Inventory pricing dynamics

Price vs Mileage

Insights

- Correlation: -0.56 (price vs mileage)
- Higher-mileage cars price meaningfully lower.
- Opportunity for mileage-tier pricing model.
- Protects margins on low-mileage inventory.

Profit Margins

Margin profile across leading brands

Insights

- Top margin: Honda (-1.3%)
- Lowest margin: Dodge (-4.2%)
- Wide variance across leading brands.
- Renegotiate cost or pricing on weak brands.

Performance Tiers

Sales mix across tier classifications

Sales Mix by Performance Tier

Insights

- Largest tier: Low Margin (97.3%)
- Tier mix highlights margin opportunities.
- Shift inventory toward higher-margin tiers.
- Tracks performance health over time.

Year Comparison

2014 vs 2015 performance

Insights

- Revenue change: +1060.1% YoY
- Units change: +846.8% YoY
- 2014 revenue: \$594M
- 2015 revenue: \$6,893M
- Use trend to plan 2026 targets.

Recommendations

Action plan to drive growth

Double down on top brands

Increase inventory & marketing for Ford, Chevrolet, Nissan.

Expand in winning states

Open dealerships in FL, CA, PA.

Mileage-based pricing

Introduce tiered pricing to defend margins on low-mileage stock.

Margin recovery program

Renegotiate sourcing for low-margin brands.

Quarterly campaign calendar

Align promotions with peak demand quarters.

Tier rebalancing

Shift mix toward higher-margin performance tiers.
